

You Don't Deserve This

THEY.

I got somethin' on the side
(On the side, on the side, on the side, on the side)
Notice how you're pickin' up on all the signs
(Pickin' up on all the signs, all the signs, all the signs, all
the signs, all the signs)
And now you're fuckin' up my paradise
Why? (Paradise, paradise, paradise)
'Cause you let me put it on the line
Can't explain myself

I hate feelin' guilty
Hate feelin' guilty
You don't deserve this
It wasn't worth it, it wasn't worth it
Hate feelin' guilty (Oh-nah, nah, nah)
I hate feelin' guilty (Oh-nah, nah, nah)
But you don't deserve this, babe (Oh-nah, nah, nah)
It wasn't worth it, it's never worth it

I can't even look at you in the same way
With a straight face, wish I could change
All this shit I did and all the stupid mistakes
On mental replay, I can't erase, it's too late

Hate feelin' guilty (I hate)
You don't deserve this (Deserve this, deserve this)
It wasn't worth it, it wasn't worth it
Hate feelin' guilty (Oh-nah, nah, nah)
I hate feelin' guilty (Oh-nah, nah, nah)
But you don't deserve this, babe (Oh-nah, nah, nah)
It wasn't worth it, it's never worth it

I'm sorry, babe, I'm sorry, babe
I'm sorry, babe, I'm sorry, baby
You don't deserve this (Ah)
It wasn't worth it, it's never worth it (Let me talk to you, ba
be)

There's a couple things I got here on my chest quickly
I don't know how you gon' take it
And if I was you, I would leave me too
But I guess that's the way it goes sometimes, ayy
It's hard to be honest with you
'Cause sometimes I want it all and sometimes I want none of it
And sometimes I want somethin' else (I'm sorry, babe)
Can you blame me? (I'm sorry, babe)
