

Babylon Falling

Thievery Corporation

Poison intelligence
Anyway you chose to explore
And you've been like a pestilence ever since you reached the shores
The roots of evil lead your motivation and of this I am sure
And even how you misguide all the nations even more than before

Babylon falling, falling down
Babylon falling, falling, falling down
Falling
Falling

from the wicked seems precious, it fools and it passes the eyes
Sinful pleasures has always been used as the downfall of mankind

Pay attention to what you taught, creative now unclean thoughts
Oh-oh the end results won't do you no good, no good, from

The Babylon falling, falling down
When Babylon falling, falling, falling down
When Babylon falling, falling down (falling)
Babylon falling, falling, falling down

Falling
Falling
Oh, yeah

Falling
Falling
Faling down
Falling down
Falling down
