

# Wild One

Thin Lizzy

- E** **C#mi**  
1. Wild one won't you please come home  
**H**  
You've been away too long, will you  
**E** **C#mi**  
We need you home, we need you near  
**H**  
Come back wild one will you
- E** **C#m**  
How can we live without your love  
**H**  
You know that could kill you  
**E** **C#m**  
How can we carry on  
**H** **A**  
When you are gone my wild one
2. So you go your way wild one  
I'll try and follow  
And if you change your mind  
I will be waiting here for you tomorrow
- For I would beg for you  
I would steal and I would borrow  
I'd do anything, anything at all  
To end this sorrow
3. Wild one  
The gypsies warned of the danger  
You can laugh and joke with friends  
But don't you ever talk to strangers
- Although their offers may be sweet  
And I'd bet and I would wager  
Away you'll stray and never come back  
To those who love and made you
