

Come On Down

Third Day

When I was just a little kid and growin' up in the middle of nowhere
My moma said to me, yeah, "It's Sunday morning boy you know it's time for church,
and we got to go there
So you better listen closely
Get on up, get yourself dressed, son put on your Sunday vest
We're runnin' late there's a place we got to be, yeah"

Now is the time, this is the place
So let's begin it
(So let's begin it)
We're not just in this race to run
We're here to win it
(We're here to win it)
Well we got life
And we got love and true forgiveness
(And we got love and true forgiveness)

If you want it now, come on down
(Come on down)
If you want it now, come on down
(Come on down)

I remember listenin' the preacher talk about salvation
And the mercy of the Lord
When he stood up that Sunday mornin' and gave the invitation
I couldn't wait there anymore
I stood on up and walked the aisle
Man I saw that preacher smile
"Boy come on down if you want to find your way"

Now is the time, this is the place
So let's begin it
(So let's begin it)
We're not just in this race to run
We're here to win it
(We're here to win it)
Well we got life
And we got love and true forgiveness
(And we got love and true forgiveness)

If you want it now, come on down
(Come on down)
If you want it now, come on down now
(Come on down)

Whoa come on, come on down yeah
(Come on down)
Come on down now
Whoa come on, come on down
(Come on down)

I stood on up and walked the aisle
Then I saw that preacher smile
Boy, come on down if you want to find your way

Now is the time, this is the place
So let's begin it

We're not just in this race to run
We're here to win it
Well we got life and we got love
And true forgiveness

If you want it now, come on down
If you want it now, come on down now
(Come on down)
If you want it now, come on down, yeah yeah

Oh come on, come on down yeah
(Come on down)
If you want love and true forgiveness
Come on down and come get a witness
Come on down
(Whoa)
