

# Everywhere You Go

Third Day

Nothing can stop me  
I am not gonna change my mind  
No one can keep me from the road that I'm on this time  
No matter what, I'm going to do what it takes to make it

I didn't know what I was missing 'til I met you  
I never even thought to listen  
No, I never knew  
And now you've given me a second chance and I'll take it

So here I am, Lord, I want to be where You are  
I need You now, won't You show me the way

Everywhere You go, I wanna go  
Will You take me with You  
Everywhere you lead, I wanna be by your side  
Everyone you love, I wanna love  
Just like you love me  
Everywhere you go, I wanna go there with you

It doesn't matter how long this is gonna take me  
I'm gonna keep on moving even if it breaks me  
I'll never turn around  
I have found where I am going
