

I Believe

Third Day

Give me something that I can believe and then I'll
Share it with the world for everyone to see
Take away the darkness, all the pain and sadness
I know it's you that put this light inside of me
I believe in a faith that's strong
I believe in a hope that carries on
I believe in these things and more
Most of all, most of all
I believe in love
And if I had the strength to move a mountain
Would you be amazed by all of my abilities
I guess it would not mean much if I didn't have love
And this is what I really want you all to see
I believe in a faith that's strong
I believe in a hope that carries on
I believe in these things and more
Most of all, most of all
I believe in love, I believe in love
I believe in love, I believe in love
I believe in a faith that's strong
I believe in a hope that carries on
I believe in these things and more
I believe in a faith that's strong
I believe in a hope that carries on
I believe in these things and more
Most of all, most of all
I believe in love, I believe in love
I believe in love, I believe in love
