

Nobody Loves Me Like Jesus

Third Day

My mama, she loves me
And tells me everyday
My papa so proud of me
And everything that I have made

My baby, she holds me
Keeps me warm through the night
My children, they said "Papa,
We know you'll made everything alright."

But nobody in this world is ever going to love me like Jesus

Nobody in this whole wide world
Gonna give what I'm looking for
Listen right now, I'm gonna say it all
Nobody love me like
Nobody else gonna live their life
Or gonna make that sacrifice
The only thing I can't deny
Nobody love, nobody love me like Jesus

My brothers, they are so good
And they are always with me in my time of need
My sisters are so kind
Willing to do anything for me

But nobody in this world is ever going to love me like Jesus
Nobody, nobody

Nobody in this whole wide world
Gonna give what I'm looking for
Listen right now, I'm gonna say it all
Nobody love me like
Nobody else gonna live their life
Or gonna make that sacrifice
The only thing I can't deny
Nobody love, nobody love me like Jesus
Nobody love me like Jesus
Nobody love me like Jesus

Nobody in this whole wide world
Gonna give me what I'm looking for
Listen right now, I'm gonna say it all
Nobody love me like
Nobody else gonna live their life
Or gonna make that sacrifice
The only thing I can't deny
Nobody love me, nobody loves me like Jesus
Nobody love me like Jesus
