My life, Has led me down the road that's so uncertain And now I am left alone and I am broken, Trying to find my way, Trying to find the faith that's gone This time, I know that you are holding all the answers I'm tired of losing hope and taking chances, On roads that never seem, To be the ones that bring me home Give me a revelation, Show me what to do Cause I've been trying to find my way, I haven't got a clue Tell me should I stay here, Or do I need to move Give me a revelation I've got nothing without You I've got nothing without You My life, Has led me down this path that's ever winding Through every twist and turn I'm always finding, That I am lost again (I am lost again) Tell me when this road will ever end Give me a revelation, Show me what to do Cause I've been trying to find my way, I haven't got a clue Tell me should I stay here, Or do I need to move Give me a revelation I've got nothing without You I've got nothing without You I don't know where I can turn Tell me when will I learn Won't You show me where I need to go Oh oh Let me follow Your lead, I know that it's the only way that I can get back home Give me a revelation, Show me what to do Cause I've been trying to find my way, I haven't got a clue Tell me should I stay here, Or do I need to move Give me a revelation I've got nothing without You I've got nothing without You Oh, give me a revelation?
