

# This Song Was Meant for You

Third Day

Where did I go wrong?  
Tell me what I have done here  
It didn't take long  
For the sun to disappear  
Now it's gone and I'm alone

This song was meant for you  
It had a happy ending  
But you had to change your mind  
I don't know what happened  
Thought that you would never leave  
Is a song forever?  
Life for you will surely change  
Maybe for the better

None of this turned out  
Quite the way I planned it  
But I know that in the end  
It will work out for the best  
Still you're gone  
And I'm alone

This song was meant for you  
It had a happy ending  
But you had to change your mind  
I don't know what happened  
Thought that you would never leave  
Is a song forever?  
Life for you will surely change  
Maybe for the better

You never know what the future holds for you  
But of all I have heard this one thing's true  
Nothing can separate us from God's love  
In our lives there is bound to be some pain  
Surely as there are storms and falling rain  
Just believe that the one who holds the storms Will bring the sun

This song was meant for you  
It had a happy ending  
But you had to change your mind  
I don't know what happened  
Thought that you would never leave  
Is a song forever?  
Life for you will surely change  
Maybe for the better
