

Without You

Third Day

When will I ever learn
That I'm only human?
Whenever I lose control
I nearly lose my mi-nd

Feels like I'm fallin'
Fallin' from higher ground
Better look out below
Because I'm comin' down

When I get carried away, oh oh oh
Will you take me back again?

'Cause I don't wanna live another day without you
I don't think that I could make it on my own
'Cause everytime I try to run away
I turn around, you're chasin' after me
I don't wanna live another day without you
Without you

Lately I feel alo-one
Living with my problems
I don't know what is wrong
And I don't know what's right
So will you come help me?
Help me get turned aro-ound
Give me another chance to get this figured out

When I get carried away, oh yeah
Will you take me back again?

I don't wanna live another day without you
I don't think that I could make it on my own
'Cause everytime I try to run away
I turn around, you're chasin' after me
I don't wanna live another day without you
Without you

You know my pain and every weakness
And still you love me as I am

Oh
I don't wanna live another day without you
I don't think that I could make it on my own
'Cause everytime I try to run away
I turn around, you're chasin' after me
I don't wanna live another day without you
Without you
Without you
