Third Eye Blind

When I know, I will tell you
I don't have anything to hide

And I don't know, I don't know
Where I'm going to, know I
But I feel it, I can feel it

When I know, I will tell you
I don't have anything to hide
I'll be right there in twenty-five minutes
You're only seven lightyears away
(Lightyears away)

Passing through the
First galaxy
That you wanted me to see
I don't know where I'm going to
But I feel it, I can feel it

I don't know, I don't know
Where I'm going to, know I
But I feel it, I can feel it

When I know, I will tell you
I don't have anything to hide
I'll be right there in twenty-five minutes
You're only seven lightyears away
(Lightyears away)
You're only seven lightyears away
(Lightyears away)
You're only seven lightyears away
(Lightyears away)
