

Break Me

Third Eye Blind

Ridin' on my easy chair
And I will find you standin' there
Arch your back, let down your hair
One more stop and I'm almost there
Holding on and you will find
What's yours is yours is mine

And your not gonna break me,
Open up and take me over inside
Your not gonna break me,
Open up and take me over inside

Spiders found just leave em' there
And hurricanes will follow home
Hiding things in public parks
Making friends o after dark
Tell me how the future comes
It's the moments one by one

And your not gonna break me,
Open up and take me over inside
Your not gonna break me,
Open up and take me over inside
I really didn't know
I really didn't know
Inside
Inside
Inside
Inside

La da da, la da da da
La da da, la la la la la da

I was late my face was wet
Tore up in a privet jet
Tell me know did we get there yet
All this nonsense I forget
But I gotta get it all
But it hurts me so
Cause somewhere back I lost my soul
Backside givin' me such a pull, such a pull

And it's a water landing
Then it's a water landing

And your not gonna break me,
Open up and take me over inside
Your not gonna break me,
Open up and take me over inside
I really didn't know
I really didn't know

Inside
Inside
Inside
Inside
