

# Got So High

Third Eye Blind

Oh hello, darling  
Just working on my app  
You know, the one that helps you  
Kickstart the synapses  
Lately I've got some memory lapses

I follow around her  
The way my blood peaks and  
I'm sneaking around and  
I'm sniffing your treats  
So sweet  
How'd I get filled?  
Filled with this longing?  
How do I kill it?

I need some sugar, sugar, sugar, sugar  
Some sugar, sugar, sugar, sugar  
Some sugar, sugar, sugar, sugar  
Some sugar, sugar, sugar

I got so high  
I fell in love with all the world  
And the sky up above  
So turn my jam on the radio up  
I got so high  
Yeah, yeah, yeah, yeah

So I walked out on Tavern Riaz  
I watched a movie starring Cameron Diaz  
I got a guitar amp that's louder than Jesus

Some sugar, sugar, sugar, sugar  
Some sugar, sugar, sugar, sugar  
Some sugar, sugar, sugar, sugar  
Some sugar, sugar, sugar

I got so high  
I fell in love with all the world  
And the sky up above  
So turn my jam on the radio up  
I got so high, yeah, yeah, yeah

I got so high  
Yeah, yeah, yeah  
I got so high  
Yeah, yeah, yeah

Doot-doot-doot-doot  
Doot-doot-doot-doot-doot-doot-doot  
Doot-doot-doot-doo-doo-doot  
Doot-doot-doot-doot-doot-doot, doot-doot-doot
