

Cold Sweat

Third World

Cold sweat and I don't know where to go
I got cold sweat
Yeah
Cold sweat are running down my face
I said it's cold sweat all over the place
(Oh jah jah I see that coming,
and I don't know where to turn) 2x

Heh, sell it in the streets
I got to face, got to face the night heat
Cold sweat (4x)
Everywhere I go

Oh jah jah I see that coming,
Jah, I don't know where to turn
Oh jah jah I see that coming,
Jah, what a lesson I've learned
My skin is black upon me
And my bones, my bones they burn with heat.
My guitar just keeps on

(Cold sweat) 3x

I got cold sweat
(Cold sweat)
It makes my guitar cry
(Cold sweat) 2x
Dry your weepin' eyes
Cause jah jah will be there
If you've got no place to turn
yes jah jah will be there
If you've got no place to turn
Oh jah jah I see that coming
What a lesson I have learned
Oh jah jah I see that coming
Yes, and I don't know where to turn
I got to find some place to lay my head
I got to wake up and eat a piece of bread
I got to work so that I can survive
Jah know, I've got to stay alive
(Cold sweat) 4x
