

# Only Love

Thirdstory

I know I need it, I never tell you, though  
I'm stuck on the feeling when you come real close  
I can't believe it, I've been alone so long  
You helped pick up the pieces, you give and I take what I want

Now I know I'm afraid to be broken  
But my feelings for you stay the same

So I'm telling myself it's only love  
I gotta remember it's only love  
It's not gonna hurt, give it some time  
It can't be wrong if it feels right  
Baby, it's not a bad thing to fall in love

You know I need time, oh, it frustrates you  
I can see it in your eyes, you feel like a fool  
You don't seem to understand why I can't hold your hand  
I don't have any reason why I shouldn't be your man

Now I know I'm afraid to be broken  
But my feelings for you stay the same

So I'm telling myself it's only love  
Gotta remember it's only love  
It's not gonna hurt, give it some time  
It can't be wrong if it feels right  
Baby, it's not a bad thing to fall in love

Uh-uh, ooh, uh-uh, ooh  
Uh-uh, ooh, uh-uh, ooh  
Uh-uh, ooh, uh-uh, ooh  
Uh-uh, ooh, uh-uh, ooh  
(It's only love)

So I'm telling myself it's only love  
Gotta remember it's only love (Uh-uh, ooh, uh-uh, ooh)  
It's not gonna hurt, give it some time  
It can't be wrong if it feels right  
Baby, it's not a bad thing to fall in love

Don't need to worry, it's only love  
Gotta remember it's only love  
(It's only, only, only love)  
It's not gonna hurt, give it some time  
It can't be wrong if it feels right  
Baby, it's not a bad thing to fall in love  
(Uh-uh, ooh, uh-uh, ooh)  
(Uh-uh, ooh, uh-uh, ooh)  
It's only love
