

## Still In Love

Thirdstory

Summer night, drinkin' wine  
By the fire, catchin' up  
You looking good, wish I could  
Tell you I was over us

I get high every night when I'm all alone  
'Cause it helps me forget that I'm feeling low  
Told you I was doing fine  
But it's a lie, don't you know  
And if you want the truth

I'm still in love with you  
No matter what I do  
I'm still in love with you

Tell myself I don't care  
Who you're with, I'm losin' my mind  
I picture you making love to someone else  
Tell me why

I get drunk to shut up all these memories  
Then I wake up and they come running back to me  
So have your fun give me none  
I guess you won and I messed up  
And I'm acting a fool

'Cause I'm still in love with you  
No matter what I do  
I'm still in love with you  
Tell me you want me, too  
(You want me too)  
'Cause I'm still in love with you

And it's killing me  
Endlessly, oh  
And I'm bound to be  
Somebody who's helplessly and desperately  
Still in love

I'm still in love with you  
(I am still in love)  
I'm still in love with you  
(With you, only tell me that you love me too)  
Tell me you want me too  
I'm still in love with you
