

That's Right Shoogie

Thirsty Merc

I look outside, you're everywhere
Sun is shining, and my skin is bare
Tonight I'll party, 'cause I just don't care
Meeting new people is the best

That's my Shoogie, let's go boogie, at my house
I live just across the road in a big ol' terrace
That's my Shoogie, let's go boogie, at my house
I'd love to stay and chat but I'd rather slam
I'd rather slam

The future's super bright, just look ahead
Forgot you swimming togs, just go the underwear
I buy you an icecream, with you I'll share
And then tomorrow we'll do it again and again and again

That's my Shoogie, let's go boogie, at my house
I live just across the road in a big ol' terrace
That's my Shoogie, let's go boogie, at my house
I'd love to stay and chat

For all the people
Who haven't found their equal
Don't worry about the quest to find
Solitude or peace of mind
Forget the frame [?] not your day to day
Let those ice cream dreams away

That little number on you looks so good
I wanna kiss you girl, I know I probably should
When I'm with you I'm in paradise
I may make love to you tonight

That's my Shoogie, let's go boogie, at my house
I live just across the road in a big ol' terrace
That's my Shoogie, let's go boogie, at my house
I'd love to stay and chat

That's my Shoogie, let's go boogie, at my house
I live just across the road in a big ol' terrace
That's my Shoogie, let's go boogie, at my house
I'd love to stay and chat but I'd rather slam
I'd rather slam
I'd rather slam
