

Relapse

This Century

What, what if I become
This feeling, this feeling's coming on
Knowing that I don't know where to go
Knowing that I don't know which way to go, no

So I relapse into the void again
So I relapse into the void again

Time, help me understand
Where am I heading?
This is some foreign land
Is the way more than I can bear?
Knowing that I don't know where to go
Knowing that I don't know which way to go, no

So I relapse into the void again
So I relapse into the void again
Into the void again
Into the void again

Knowing that I don't know where to go
I don't know where to go, no

So I relapse into the void again
So I relapse into the void again
Into the void again

Time, wait for me
