

## Doomed Or More Doomed

This Is the Kit

When are we gonna get there, when are they?  
When are we gonna get there, when are they?  
When are we gonna get there, when are they?  
When are we gonna get there, when are they?

Just don't ask me, that's not what I do  
Just don't ask me to, that's not what I do  
Show your workings so we have the proof  
But there's no answer when both things are true

Travelling light, good intentions, me and you  
Loading up the donkey, that'll do  
Getting packed up to travel, travel to  
Getting involved, emotional buckeroo

Porous perlocution trickle through  
Just don't ask me to, that's not what I do  
Just don't ask me, that's not what I do

When are we gonna get there, when are they?  
When are we gonna get there, when are they?  
When are we gonna get there, when are they?  
When are we gonna get there, when are they?

What'll you choose  
Doomed or more doomed?  
What'll you choose  
Doomed or more doomed?  
What'll we choose?
