

## Empty No Teeth

This Is the Kit

Time was, time was, empty, no teeth  
Mouth was thirsty, swallowed, breathing  
Carried to me, deeply drinking

We word, word we, to seek, to see  
Time was, time was, knowing, leaving  
Empty-hearted, leaning, slanted

Autumn, tumble, compost, leave much  
Holding, hoping, calling, going  
Time was, time was, growing

Time was, climbing, all fours, all fours  
Time was all ours, for hours and hours  
Daylight creeping, away, leaving, leaving

Time was, time was, empty, no teeth  
Time was, time was, empty, no teeth
