Misunderstanding

This Is the Kit

Misunderstanding
Ever so weary
Holes in her patience
Tattered and flapping

And it seems there's no end
'Cause the window is closed
And they're buried in
And nobody knows

Then the one who is pushing
Opens up and is sharing
Breathing in and is smiling
Breathing out and is giving

And it saves us all
And it opens out
And it saves us all

Misunderstanding
Saved by the sapling
Sapling was growing
