

Off Off On

This Is the Kit

Off, off, on
Off, off, on
Off, off, on
Off, off, on

Breathe out
Breathe in but
Breathe out
Both ways
You're leaving
Both ways

Wide awake
Eyes that move
In this room
Sleeping soon

Sun up
Sun down and
Lights on
Lights out
And blinking
Off, on

Set to work
Work to do
Hospital
Keeping you

Set loose
Unbound you
Cut loose
They came
But missed you
Slipped through

What an ass
Me and you
Through and through
Don't assume
