

Our Socks Forever More

This Is the Kit

One of these days gonna make it back
Might just make it back to your mattress
One of these days gonna make it back
Might just make it back to your floor
Sneak my weight under the door
Slide in across your floorboards

Most of the time her brain goes fast
Her mind moves more than her mouth
It makes for a certain sort of messing up
Of the words that ought fall out

OoohOoohOoohOooh
OoohOoohOoohOooh

One of these days gonna make it back
Might just make it back to your mattress
One of these days gonna make it back
Might just make it back to your floor

But I've got this thing you see
This thing about self-sufficiency
It'll be the end of me

And I wanted it to, to join in with you
To take off my shoes and socks forever more
Flying across the floor
