

No today
Call it off, everything
Not today
Making time
Making time, losing time
Losing time
Told you so
Quitting is, quitting does
Told you so
Ages old
To be held and to hold
Ages old

Homeward bound
With relief carrying
Bags of free
Pass it on
Taking some, pass it on
Taking some
Cool it down
Give it up, let it go
Drop it now
Metal door
No, it's not water dog
No, it's not
No today

No today
Call it off, everything
Not today
