

I Am the Cosmos

This Mortal Coil

Every night I tell myself I am the cosmos
I am the wind
but that don't get you back again
just when I was starting to feel okay
you're on the phone
I never wanna be alone
never wanna be alone
I'd hate to have to take you home
wanted so much to say no

[Yeah, yeah, yeah]
[Yeah, yeah, yeah]

never wanna be alone
hate to have to take you home
want you to bad to say no, no

[Yeah, yeah, yeah]
[Yeah, yeah, yeah]

my feelings always tell me something i couldn't hide
I can confide
don't know what's going on inside
so every night I tell myself I am the cosmos
I am the wind
but that don't get you back again
I'd really like to see you again
I really want to see you again
I'd really like to see you again
[that don't get you back again]
I really want to see you again
I'd really like to see you again
I really want to see you again
I'd really like to see you again
[that don't get you back again]
I'd really like to see you again
I know I'd like to see you again
I never want to see you again
