

## Contradictions

This Providence

So hard to say this to you  
once again my love fell through  
how could i do this to you  
the last time i promised you  
and you say

"theres so much that i see  
when you are not around me  
so many words that you say  
are contradictions  
and how could you say you love me  
when you dont even seem to find me  
and i just want to set you free  
of these addictions"

you cry as i tell you  
when did i  
why did i  
how could i  
i sigh as i tell you  
all the things i used to do  
and you say

"theres so much i didnt see  
when you are not around me  
so many words that you said  
were contradictions  
and how could you have said you love me  
when there were all those things i couldnt see  
well i knew  
that there was something up with you"

something wrong  
something not right

is there anything i dont see  
when you are not around me  
are any words that you say  
contradictions  
and do you still love me now  
well i dont understand how  
you forgive me somehow  
of these convictions

and you forgive me endlessly  
but i dont think that you understand all this  
and love me unconditionally  
but i know ill learn from this

i know i learned from this
