

## (untitled)

### This Providence

Never forget you,  
Never forget you,  
Never forget you,  
I'll never forget you.  
Stolen, a life was stolen,  
Stolen, this life was stolen,  
but you can't take what is already done  
and you can't take what it still has to do  
cause some for those lost is still some.  
Yeah
