

Our Love

This Romantic Tragedy

I Remember When You Said
Get Me Out of Your Head
Because My Mind's Made Up
And I Have Had Enough
And You're Too Late
Do You Remember All The Nights
We'd Spend Alone Together
Now Hurt You Girl
No I Would Never Hurt You
I Would Never Hurt You

I Been There I've Done That
And I Might Never Come Back
I Been There I've Done That
And I Might Never Come Back
My Mind Feels Me to Let Go
But My Heart Won't Let Me, No
Move On
Move On
Move On
Let's Hit The Streets
And Never Come Back Home
We'll Never Come Back Home
Let's Hit The Streets
And Never Come Back Home
Hey
You Said You'd Take Care of Me The Words Just Seem
To Slip Right Through Your Teeth
But You'll See A Little Bit of Time Could be All We Need
Immature And Aging
Your Ego Over-Inflating
I've Moved On I'm Passed This
You're Stuck on Our Last Kiss
My Mind Has Been Made Up
My Mind Has Been Made Up
My Mind Feels Me To Let Go
But My Heart Won't Let Me, No
Move On
Let's Hit The Streets
And Never Come Back Home
We'll Never Come Back Home
Let's Hit The Streets
And Never Come Back Home
My Mind Feels Me To Let Go
But My Heart Won't Let Me, No
Move On
Move On
Move On
Let's Hit The Streets
And Never Come Back Home
