

Sleepwalking

This Wild Life

And my secrets are burning a hole through my heart
And my bones catch a fever
When it cuts you this deep
It's hard to find a way to breathe

But your eyes are swallowing me
Mirrors start to whisper
Shadows start to sing
My skin's smothering me
Help me find a way to breathe

Time stood still
The way it did before
It's like I'm sleepwalking
Fell into another hole again
It's like I'm sleepwalking

I'm at the edge of the world
Where do I go from here?
Or do I disappear?
The edge of the world
Do I sink or swim?
Or simply disappear?

But your eyes are swallowing me
Mirrors start to whisper
Shadows start to sing
My skin's smothering me
Help me find a way to breathe

Time stood still
The way it did before
It's like I'm sleepwalking
Fell into another hole again
It's like I'm sleepwalking

Wake up
You take my hand
Give me a reason to start again
Wake up
You take my hand
Give me a reason to start again

Cause your eyes are swallowing me
Mirrors start to whisper
Shadows start to sing
My skin's smothering me
Help me find a way to breathe

Time stood still
The way it did before
It's like I'm sleepwalking
Fell into another hole again
It's like I'm sleepwalking
