

# Can't Teach My Old Heart New Tricks

Thomas Anders

Can't teach my old  
Heart new tricks  
Can't make it love  
Someone new  
Can't teach my old  
Heart new tricks  
Keeps on beating  
Just for you

I tell my old eyes it's spring  
They tell me it's cold and grey  
Can't teach my old eyes a thing  
Keep on cryin' night and day

Oh why can't I forget you  
As you forgotten me  
But something inside keeps holding on  
Not knowing that you're gone
