

Everybody Wants To Rule The World

Thomas Anders

Everybody wants to rule the world,
wants to kiss the girls.
That's the dream of the man,
it will happen again.

Everybody wants to be the best one
and every wanna see to hit the goal.
What you know is holy like a secret,
Life is just a game you've got the role.
You're living at the most expensive places,
driving cars that sometimes exposing flames.
You're finally the wielder of some scoundrels,
saving lives of kings and queens.

Everybody wants to rule the world,
wants to kiss the girls.
That's the dream of the man,
it will happen again.

Everybody wants to rule the world,
wants to kiss the girls.
That's the dream of the man,
it will happen again.

Money isn't what you kinda wait for.
It is what you always used to want.
After days of tension and survival,
you meet the star; let's living in this town.
The world is yours; a little sweet playground.
Diamond what you sell at Paris, Tokyo.
At the smile that's in your face forever,
it is something what you love to show.

Everybody wants to rule the world,
wants to kiss the girls.
That's the dream of the man,
it will happen again.

Everybody wants to rule the world,
wants to kiss the girls.
That's the dream of the man,
it will happen again.

Uh, danger. Heroes are the savior for the world.
Uh, danger. Everybody wants to rule the world, hold on.
Uh, danger. Someone wants to get the whole control about everybody's soul.
Where is the way for getting more and more? The story never ends.

Everybody wants to rule the world,
wants to kiss the girls.
That's the dream of the man,
it will happen again. □

Everybody wants to rule the world,
wants to kiss the girls.
That's the dream of the man,
it will happen again. □
