

# I'll Love You Forever

Thomas Anders

I'll love you forever  
Forever and ever more  
I'll love you forever  
Now I know what my heart beats for

It's been a time of endless change  
Only one thing's remained the same  
All I do know is  
I won't let go  
I'll be with you  
Oh, listen please, hear what I say  
These emotions I don't give away  
How can I prove  
How much I want you  
Got to have you  
So tell me what can I do

I'll love you forever  
Forever and ever more  
I'll love you forever  
Now I know what my heart beats for

This can't be just a one-way street  
Without your love, I'm incomplete  
Make this one vow  
Just for me now  
Say you will stay  
It's certain there's no guarantee  
One day hurtin', one day ecstasy  
All I do know  
Is I won't let go  
I'll be with you  
As long as you want me to

I'll love you forever  
Forever and ever more  
I'll love you forever  
Now I know what my heart beats for

I'm waiting here so patiently  
Something I want you to say to me  
No goodbyes now  
When we feel down  
You'll be with me  
Just hold me till the morning

I'll love you forever  
Forever and ever more  
I'll love you forever  
Now I know what my heart beats for

I'll love you forever  
Forever and ever more  
I'll love you forever  
Now I know what my heart beats for
