

# I Miss You

Thomas Anders

Goin' to need your love  
I like your dance  
I belong to you  
'Cause I see your eyes  
Inside my life, nothing I can do  
'Cause I need your smile, my baby  
Sparkling in your eyes  
If you really know  
Then just tell me so  
Baby, please be mine

I miss you  
I want you to know  
I miss you  
My life has not much time  
To erase you from my mind  
And I miss you, remember  
And I will not surrender  
And kiss your tears goodbye

I can tell you in your glance  
I know, I belong to you  
'Cause I like to dream of you baby  
What I'd like to do  
If you'd like to be my baby  
Stand here by my side  
If you really know  
Then just tell me so  
Baby, make it right

I miss you  
I want you to know  
I miss you  
My life has not much time  
To erase you from my mind  
I miss you, remember  
And I will not surrender  
And kiss your tears goodbye

I miss you, remember  
My life has not much time

I miss you  
And I want you to know  
I miss you  
My life has not much time  
To erase you from my mind  
I miss you, remember  
And I will not surrender  
And kiss your tears goodbye  
Goodbye  
And I will always miss you
