

# Laughter In The Rain

Thomas Anders

Strolling along country roads with my baby  
It starts to rain, it begins to pour  
Without an umbrella we're soaked to the skin  
I feel the shiver run up my spine  
I feel the warmth of her hand in mine

Oooh, I hear laughter in the rain  
Walkin' hand in hand with the one I love  
Oooh, how I love the rainy days  
And the happy way I feel inside

After a while we run under a tree  
I turn to her and she kisses me  
There with the beat of the rain on the leaves  
Softly she breathes and I close my eyes  
Sharing our love under stormy skies

Oooh, I hear laughter in the rain  
Walkin' hand in hand with the one I love  
Oooh, how I love the rainy days  
And the happy way I feel inside
