

Night and Day

Thomas Anders

Night and day you are the one
Only you beneath the moon
And under the sun
Whether near to me or far
It's no matter darling where you are
I think of you night and day

Day and night oh why is it so
That this longing for you
Follows wherever I go
In this roaring traffic's boom
In the silence of my lonely room
I think of you night and day

Night and day under the heart of me
There're an oh such a hungry yearning
Burning inside of me
And it's a tornement
Won't be through
'Til you let me spent my life
Making love to you

Day and night, night and day
