

# On My Way

Thomas Anders

Hu-uuuh  
Uh-uhu

I can hear you on the telephone  
Asking you, where did you go?  
Down on the line, down on the line with me  
Whisp'rin' words that can break my heart  
It's hard to take that we're apart  
Down on the line, down on the line with me

Body to body  
I'm reaching for your soul  
From moment to moment  
See you like never before

I'm on my way  
When you're not here I feel like crying  
But now I know  
(But now I know)  
Why can't you see?  
That when you're near I feel like flying  
And now I know  
(But now I know)

You can have all that you want from me  
Think about it - can't you see?  
Down on the line, right on the line, I was living on my  
own  
Let me hold you 'til the feeling grows  
Freedom comes and freedom goes  
Down on the line, right on the line for me

Body to body  
I'm reaching for your soul  
From moment to moment  
See you like never before

I'm on my way  
I'm on my way  
I'm on my way  
I'm on my way  
I'm on my way

Body to body  
I'm aching for your soul  
From heartbeat to heartbeat  
See you like never before

(I can hear you on the telephone)  
(I don't wanna hear the dialing tone)  
(Telling me that I'm back on my own)
