

# After We Break Up

Thomas Day

Calling out your name  
Will bring a bitter taste  
How will I live without the parts of you inside  
Coming out the blue  
A fear of losing you  
I know I shouldn't say these thoughts that cross my mind  
I know this time

I will never be the same no  
'Cause I've never felt the pain like the love you gave me  
You're the thing that I'm afraid of  
Everything inside me knows you're the one who'll break me  
And I don't know how I could hate you  
I don't know how to go on without you  
Without you

Dancing in the dark  
Practicing the part  
I'm so scared of living through the day I watch you leave  
'Cause honestly

I will never be the same no  
'Cause I've never felt the pain like the love you gave me  
You're the thing that I'm afraid of  
Everything inside me knows you're the one who'll break me  
And I don't know how I could hate you  
I don't know how to go on without you  
Without you

After we break up  
What becomes of us
