

Beg

Thomas Day

You got it all
All the things I want
Want to be involved
Let me take it off

Biting my tongue
I feel it in my chest
I have to confess
You're a specimen

Oh
Yes, I do
I'm falling for you
I need you to choose, girl
If it's true
If you want me

I want you to beg
I want you to beg
I want you to beg
I want you to beg
I want you to beg
I want you to beg
(Yeah)

Oh
I want you to beg

Oh

Give me a taste
Something edible
Wanna feel like your body is medical
Don't look away
Be an animal
You're contagious
I'm breathing your chemicals

Oh
Yes, it's true
I'm falling for you
I need you to choose, girl
I need proof
That you want me
That you want me

I want you to beg
(Be-e-e-e-e-e-e-eg)
I want you to beg
I want you to beg
(Be-e-e-e-e-e-e-eg)
I want you to beg
(Be-e-e-e-e-e-e-eg)
I want you to beg
I want you to beg
(Be-e-e-e-e-e-e-eg)
(Yeah)

(I want you to beg)
(To beg, to beg)
(I want you to beg)
(Oh oh)
(Oh oh)
(Ahhhhhh)

I want you to beg
(Be-e-e-e-e-e-e-eg)
I want you to beg
I want you to beg
(Be-e-e-e-e-e-e-eg)
I want you to beg
(Be-e-e-e-e-e-e-eg)
I want you to beg
I want you to beg
(Be-e-e-e-e-e-e-eg)
Yeah
