Stranger

Thomas Day

Are you okay? I just wanna help
Are you okay? But now I can't tell
You don't seem like yourself

And maybe I shouldn't have called
And maybe I never knew you at all
I'm thinking, maybe we should talk about it later
'Cause right now, you're acting like a stranger

So, go ahead and cut me off
Either way, you haven't lost yet
You still got a friend
I don't ever learn, so I keep 'em close
Even the ones that hurt me the most
Picking me up and putting me down
I'm just gonna wait 'til you figure it out

Maybe I shouldn't have called
'Cause maybe I never knew you at all
I'm thinking, maybe we should talk about it later
'Cause right now, you're acting like a stranger

Are you okay? I just wanna help
Are you okay? But now I can't tell
You don't seem like yourself
