

# VICIOUS

Thomas Day

I'm jealous of all your friends cause they still get to look at you  
I mean they still get to talk to you,  
And I can't do that anymore.  
I hate that kid you met cause he was way too nice to you  
And I'll always be nice to you  
But I'm not that kid anymore

I'm hanging on by a thread  
And you don't want it to end

I wish we could go back to the way it was  
But I've got my own eyes  
I've seen enough  
All the damage  
If you're gonna leave me lonely  
If you're giving up on us  
If you've got somebody else  
Don't tell me that you love me

Remember the time you said the there was something wrong with me,  
There must be something wrong with me cause I let you stay in my life  
All of your feelings came with all of their conditions say shut up and listen  
But I didn't pay for the ride

I'm hanging on by a thread  
And you don't want it to end

I wish we could go back to the way it was  
But I've got my own eyes  
I've seen enough  
All the damage  
If you're gonna leave me lonely  
If you're giving up on us  
If you've got somebody else  
Don't tell me that you love me

Thinking about all of the memories I'd visit  
Hoping they'll just slowly fade away  
Maybe it's my fault I knew you were always vicious  
I just didn't know it was a game  
For you

I wish we could go back to the way it was  
But I've got my own eyes  
I've seen enough  
All the damage  
If you're gonna leave me lonely  
If you're giving up on us  
If you've got somebody else  
Don't tell me that you love me
