

## Bird

Thomas Dybdahl

Sleeping softly like a bird  
Doing only what she's heard  
Thinking night is not right  
She's always been on the lookout for a fight

I dream of you every night  
Oh oh oh  
You say nothing happens twice  
I've fallen into you  
Oh oh oh  
And there ain't nothing I can do

Always hiding your smile,  
Even though deep inside we both laugh  
Perky smartass remarks  
She even know my friends just see sparks

I dream of you every night  
Oh oh oh  
You say nothing happens twice  
I've fallen into you  
Oh oh oh  
And there ain't nothing I can do
