

But We Did

Thomas Dybdahl

All this time we were told we would never make it
All this time we were told we would never make it
Everyone said we couldn't break it
Everyone said there was no way to shake it
But we did

Ain't no love like the one that you gave before me
Ain't no song like the song that you sang before me
Maybe you had it right before me
You were a fool to so adore me
But you did

Baby, we swore we couldn't do it
Baby, we swore we couldn't pull through it
But we did
Baby, we swore we couldn't do it
Baby, we swore we couldn't pull through it
But we did

All these tears in the bed that was never broken
All these doors in the moon that were never opened
Everyone said we couldn't break it
Everyone said there's no way to shake it
But we did

Let's have one for the space that you gave that I never needed
Let's have one for the warning sign that were never heeded
Too bad we fell behind it
Too bad we designed it
But we did

Baby, we swore we couldn't do it
Baby, we swore we couldn't pull through it
But we did
Baby, we swore we couldn't do it
Baby, we swore we couldn't pull through it
But we did

Over and over and over and over and over
I thought it was over and over and over and over
Again and again and again and again and again
And it goes and it goes and it goes and it goes
And it goes deeper and deeper and deeper and deeper and deeper
It goes deeper..
