Mr. Bird

Thomas Giles

gut wrenched core inside
they've scrambled up my mind
the air surrounds my shortened wings
i was born to fly

destined to crash
falling so fast
can't fool me i've said
fly so low

please don't give up now
we are here for you
last chance for your life
fly on mr. bird

destined to crash
falling so fast
can't fool me i've said
fly so low
