

# Ain't Seen Before

Thomas Gold

If you go to the cloud, you'll see me trippin'  
Got no stilettos, I be Nike drippin'  
I'll make the moves, while the rest are sittin'  
If you ain't here, you don't know what you missin'

We runnin' wild, kick it up a notch  
Got forty five lipsticks on the wall  
If rooms could talk, we would be locked up  
'Cause what you got, I ain't seen before

If you go to the cloud, you'll see me trippin'  
Got no stilettos, I be Nike drippin'  
I'll make the moves, while the rest are sittin'  
If you ain't here, you don't know what you missin'

We runnin' wild, kick it up a notch  
Got forty-five lipsticks on the wall  
If rooms could talk, we would be locked up  
'Cause what you got, I ain't seen before

(If you go to the cloud, you'll see me trippin'...)
