

Crying Rainbows

Thomas Gold

If I'm gonna cry
I'll only cry rainbows
No more oceans
Just multiple rainbows
Rain rain rain rain

If I'm gonna cry
I'll only cry rainbows
No more oceans
Just multiple rainbows
Rain rain rain rain

If I'm gonna cry
I'll only cry, I'll only cry, I'll only cry...
I'll only cry rainbows

If I'm gonna cry
I'll only cry rainbows
No more oceans
Just multiple rainbows
Rain rain rain rain

If I'm gonna cry
I'll only cry rainbows

Got no more time (nah)
To cry waterfalls (yah)
Ready to swim (oh)
To the rise and fall
The leaves turn brighter (uh)
Not soaked at all
Transparent liquids (ah)
Those were my downfall
That's why (ooh)

If I'm gonna cry
I'll only cry, I'll only cry, I'll only cry...
I'll only cry rainbows
