

Don't Stop The Rhythm

Thomas Gold

Feels good
Deep as the ocean
Rise up
In the emotion
Feels good
Like we are floating
Oh, oh

Lost in the fire
You make me wanna lose control
Take me higher
I've got the feeling in my soul
Rise up! (Rise up)
Don't stop the rhythm in my bones (don't stop the rhythm, oh)
Don't stop the rhythm in my soul
Don't stop the rhythm in my soul
Don't stop the rhythm in my soul

I've got the feeling
That it's gonna be good tonight
Don't stop believing
Cause we're gonna go make it right (yeah, yeah, yeah)

Feels good (feels so good)
Deep as the ocean
Rise up
In the emotion (oh, oh)
Feels good
Like we are floating
Oh, oh

Don't stop believing
Cause we're gonna go make it right
I've got the feeling
That it's gonna be good tonight
(Yeah, yeah, yeah)

Feels good (feels so good)
Deep as the ocean
Rise up (rise up)
In the emotion (oh, oh)
Feels good
Like we are floating'
Oh, oh

Lost in the fire
You make me wanna lose control
Take me higher (take me higher)
I've got the feeling in my soul
Rise up! (Rise up)
Don't stop the rhythm in my bones (don't stop the rhythm, oh)
Don't stop the rhythm in my soul
Don't stop the rhythm
Don't stop the rhythm in my soul
(Don't stop the rhythm in my soul)
Oh, oh

Feels good
Deep as the ocean
Rise up
In the emotion
Feels good
Like we are floating
Oh, oh

Feels good
Deep as the ocean
Rise up
In the emotion
Feels good
Like we are floating
