

# Escape

Thomas Gold

There's love in the air  
All around us everywhere  
I can't make it more clear  
Can we stay forever?  
I remember the night  
We stayed awake, got high on life  
We drove to the city lights  
I guess we lost track of time

Hey, hey  
Jump into the water  
We will  
Never surrender  
Our love  
We will never burn out

We will escape this town  
We will escape this town  
We will escape this town  
We will never burn out  
We will escape this town

We will escape this town  
Oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh-oh-oh  
We will escape this town

When we were young  
We loved to party  
All summer long  
We ran away together  
Do you remember?

Hey, hey  
Jump into the water  
We will  
Never surrender  
Our love  
We will never burn out

We will escape this town  
We will escape this town  
We will escape this town  
We will never burn out  
We will escape this town

Oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh-oh-oh  
We will escape this town  
Jump into the water  
We will  
Never surrender  
Our love  
We will never burn out  
We will escape this town
