

# Holy

Thomas Gold

Pillow talk  
Maybe what we got is not enough  
Different hearts  
Is there a way to patch it up?

Opposites attract, we're stuck in our heads  
So many highs and lows, we keep on falling  
Leave me on the edge, let go of the past  
I've got a feeling that our last night's going

Thought we were  
Holy, holy, holy, holy  
And it faded  
Slowly, slowly, slowly, slowly  
And now we're  
Lonely, lonely, lonely, lonely  
Oh baby  
Thought that we were both so holy

Holy  
Thought that we were both so holy  
Holy  
Holy  
Holy  
Holy  
Holy  
Thought that we were both so holy

Paper-thin  
Maybe sometimes we're not meant to win  
Skin on skin  
We forget about the mess we're in

Leave me on the edge, let go of the past  
I've got a feeling that our last night's going

Thought we were  
Holy, holy, holy, holy  
And it faded  
Slowly, slowly, slowly, slowly  
And now we're  
Lonely, lonely, lonely, lonely  
Oh baby  
Thought that we were both so holy

Holy  
Holy  
Holy  
Holy  
Holy  
Thought that we were both so holy  
Holy  
Holy  
Holy  
Holy  
Holy  
Thought that we were both so holy
