

Origami

Thomas Gold

Twist me like a puzzle cube
Solve my riddle, catch my groove
Come on, shallow, can't you see
I want you to play with me
Yeah you got a luck to prove
Don't you wanna make me move
So come on, come on, dance around me
Fold me like an origami

Fold me like an origami
Come on, come on, dance around me
Fold me like an origami
Yeah you got a luck to prove
Don't you wanna make me move

Come on, come on, dance around me
Fold me like an origami

Twist me like a puzzle cube
Solve my riddle, catch my groove
Come on, shallow, can't you see
I want you to play with me
Yeah you got a luck to prove
Don't you wanna make me move
So come on, come on, dance around me
Fold me like an origami

Come on, come on, dance around me
Fold me like an origami
Yeah you got a luck to prove
Don't you wanna make me move

Twist me like a puzzle cube
Solve my riddle, catch my groove
Come on, shallow, can't you see
I want you to play with me
Yeah you got a luck to prove
Don't you wanna make me move
So come on, come on, dance around me
Fold me like an origami

Twist me like a puzzle cube
Solve my riddle, catch my groove
Come on, shallow, can't you see
