

Pretend

Thomas Gold

I got a feelin' that the show is over now, oh-whoa-oh-oh
But I'll be waitin' for you in the crowd, whoa-oh-oh
And I've been tryin' to beat the settin' sun
But it feels like we're slippin', baby, when we try to run

But just for tonight
I'ma do it right
I'll be more than enough
I'm watchin' you go
But you already know
This is tangible love

So we don't have to play pretend
We don't have to play pretend
We don't have to play pretend

We don't have to play pretend
No-oh, oh-oh, whoa-oh, oh-oh-oh
We don't have to play pretend
No-oh, oh-oh, whoa-oh, oh-oh-oh
We don't have to play pretend

Do you remember how we used to play those games? oh-oh-oh
We were young but some things never change, no-whoa-whoa, oh-oh
Yo don't have to be afraid of who we are
Don't forget, we're still follin' our heart

But just for tonight
I'ma do it right
I'll be more than enough
I'm watchin' you go
But you already know
This is tangible love

So we don't have to play pretend
We don't have to play pretend
We don't have to play pretend
We don't have to play pretend
So we don't have to play pretend
We don't have to play pretend
We don't have to play pretend
We don't have to play pretend

We don't have to play pretend
No-oh, oh-oh, whoa-oh, oh-oh-oh
We don't have to play pretend
No-oh, oh-oh, whoa-oh, oh-oh-oh
We don't have to play pretend
